All Items

Outstanding artwork charges will be invoiced within 30 days from receipt of proof.

Die line does not print.

Online Proofs, PDF's and color laser proofs are not accurate for color. The Pantone book should be used as a guide, not a reference standard. Books will have small but measurable deviations from the center of the production standard as is common with any printing process. All Pantone colors are formulated to match the Pantone digital library. Please note that colors may change or darken where they trap or overprint.

2D barcodes will be verified to the ISO/EIC 15415/15416 standard unless otherwise instructed.

Art has been adjusted to ensure the highest quality product during the printing process and to be consistent with a similar previously printed item.

The art has been adjusted to fit the die size.
