

## **2014 Peirson-Meyer Sauvignon Blanc Ryan's Vineyard**

The 2014 Sauvignon Blanc Ryan's Vineyard is fermented with wild yeast, aged in neutral French oak and bottled after eight months. Plenty of honeyed grapefruit, melon and a touch of tropical fruit are all present in this wine, which does not see malolactic fermentation. It is fresh, shows beautiful intensity, and finishes dry and zesty. Drink it over the next several years.

- Robert Parker, Wine Advocate
