

2018 CADE Reserve Cabernet Sauvignon

97 Points

The 2018 Cabernet Sauvignon Reserve is laced with the essence of dark red/purplish berry fruit, blood orange, mint, spice and rose petal. Unctuous and deep, with striking balance and tons of allure, the Reserve is superb today. This is an especially rich, creamy style for Howell Mountain, but all the elements are very nicely woven together. Here, too, tannins are beautifully integrated. –
