

**Odette Estate Winery, Stags Leap District, Napa, CA** - We are proud and honored to announce that we have been awarded Gold LEED (Leadership in Energy and Environmental Design) certification through the United States Green Building Council (USGBC). "As great stewards of this land, we pride ourselves on our sustainable practices and this is just one of many ways that we can make a difference," said John Conover, General Manager and Partner. Odette Estate is the second winery within the PlumpJack Family of Wineries to earn this award, behind their sister property CADE Estate Winery.
