RAEN PINOT NOIR SONOMA COUNTY SONOMA COAST ROYAL ST. ROBERT 2018

Intense aromas of dried strawberry with stone and mineral undertones. Medium to full body with tight, firm tannins and beautiful length and depth. This needs three or four years to come together. Try after 2023.

RAEN PINOT NOIR SONOMA COAST FORT ROSS-SEAVIEW HOME FIELD VINEYARD 2018

An extremely aromatic pinot with iodine undertones to the bright strawberry aromas and flavors. Some seaweed. It's medium-to full-bodied with creamy tannins and an extremely long finish. From biodynamically grown grapes. Better after 2023.

Sonoma Coast

Royal St. Robert Cuvée

A special bottling dedicated to our grandfather, Robert, who taught and inspired us each and every day and who continues to do so on this journey. This cuvée is a selection of our finest barrels; a window into the cool, rugged hills of the west Sonoma Coast. Aromas of red cherry, rose petals, violets, coastal forest floor, wet rock, and lifted red & black berries fill the bowl. Black tea, damp sun-kissed earth, savory herbs, forest berries and floral notes persist and harken back to the site where the grapes were grown.

100% whole cluster • natively fermented • bottled without fining or filtration • 10 acres • 12.5% ABV

Fort Ross -Seaview

Sea Field Vineyard

This beautiful 4.6 acre site is an ancient sea field of diverse marine soils broken down from bedrock dating back between 66 and 200 million years. Situated less than 2 miles from the Pacific Ocean with an elevation of 1500 feet, Sea Field Vineyard produces our most elegant wines year in and year out. Rose petals, blood orange pith, crushed raspberry, wild strawberry, and wet rock bordering the forest fill the bowl. White tea, sea moss, rhubarb, savory herbs, forest berries, and floral tones linger on your palate with a long and seemingly everlasting finish.

100% whole cluster • natively fermented • bottled without fining or filtration • 4.8 acres • 13% ABV
