Research in Agriculture and Enology Naturally

A special vintage with near-perfect conditions that also celebrates a significant year for our family, 2019 marks our family's 100th consecutive harvest in these golden hills of California. We chose to commemorate this 100th anniversary by adding an emblem of the endangered Monarch Butterfly to each label. This reminds us of our connection and responsibility to nature and the land, as well as our history and how we choose to define the next 100 years in wine.

2019 Charles Ranch Vineyard Chardonnay, Fort Ross-Seaview

Firmly rooted in the rocky, well-drained hillsides of Fort Ross Seaview these 41-year-old vines are some of the oldest pre-phylloxera plantings of Chardonnay in California. Notes of elderflower, honeysuckle and citrus blossom give way to wet rock, crushed oyster shells and spring meadow. Just-ripe white peach, crunchy nectarine, and lime pith build in the bowl. On the palate, delicate stone fruits, tart-lychee, fresh lemon cream and lime blossom give way wet gravel. Fine, focused acidity balances the rich mid-palate to a long-lasting finish.

*100% whole cluster • natively fermented in barrel • bottled without fining or filtration • 12.5% ABV
98 pts Suckling*

2019 Royal St. Robert Cuvée Pinot Noir, Sonoma Coast

Our Royal St. Robert Cuvée is named in honor of our grandfather who, along with our father taught us the art of winegrowing and to be committed to excellence. This bottling is a selection of our finest barrels giving a window into the cool, rugged westerly hills of the true Sonoma Coast. Aromas of rose petals, black plum, crushed red cherries, bush raspberry and wild thyme fill the bowl. Black tea, forest floor and spring meadow yield to savory herbs, delicate floral notes and a black cherry core. The finish is long lasting with the final notes encapsulated in the silky tannin structure.

*100% whole cluster • natively fermented • bottled without fining or filtration • 10 acres • 13% ABV
97 pts Suckling, 92 pts Vinous*

2019 Sea Field Vineyard Pinot Noir, Fort Ross-Seaview

Our 4.8 Sea Field Vineyard (monopole) produces our most elegant wines year in and year out. This unique bottling coming from an ancient Sea Field of diverse marine soils and fractured bedrock dating back between 66 and 200 million years. Soaring 1,500 feet above the Pacific Ocean less than 2 miles from its waters Sea Field is both our most coastal and highest elevation site. The combination of these elements creates Sea Field. Sea Field is pure elegance. Rose petal, white tea, blood orange pith and the edge of a coastal forest meeting wet rocks fill the bowl. Crushed raspberry, wild strawberry, sea moss, exotic spice, coastal chanterelles, rhubarb and floral tones linger on your palate with a seemingly everlasting finish.

*100% whole cluster • natively fermented • bottled without fining or filtration • 4.8 acres • 12.5% ABV
99 pts Suckling, 94 pts Vinous*

2019 Bodega Vineyard Pinot Noir, Freestone Occidental

Our Bodega Vineyard is our coolest and most exotic terroir. Steep, raw and powerful, Bodega sits just east of Bodega Bay between the villages of Freestone and Occidental. This westerly planting is one of the oldest meter-by-meter plantings of Pinot Noir on the Sonoma Coast. Integral to this wine each vintage, there are prevalent notes of rose petals and black tea. The wine is richly textural with wild strawberry, burnt orange pith, exotic spice box, and tastes-of-the-forest on the initial palate, becoming a rich, dark berry on the mid-palate. Bodega has a wonderfully long and persistent finish.

*100% whole cluster • natively fermented • bottled without fining or filtration • 1.8 acres • 12.9% ABV
97 pts Suckling, 95 pts Vinous*
