## 2016 Pinot Noir, The Union

### 96 Points!

*Glimmering red. A hugely aromatic bouquet evokes fresh red fruits, Asian spices and potpourri, along with a bright mineral overtone and a touch of smokiness. Juicy, seamless and precise on the palate, offering potent, mineral-laced raspberry preserve, rose pastille and spicecake flavors that deepen and spread out steadily on the back half. Delivers a compelling blend of power and finesse and finishes with silky tannins, outstanding clarity and floral- and mineral-driven persistence.*
