SERVING NOTES

Vinehouse will age for many years in the cellar, however, in its youth, stand the wine upright for a day in bottle, then decant carefully 5-8 hours prior to serving. To experience how this wine evolves, take a sip each hour.

TASTING NOTES:

Vinehouse is a blend, principally Cabernet Sauvignon with a bit of Saint Macaire (a lost Bordeaux varietal). Both are estate grown on Howell Mountain. The result of this marriage; a luscious sexy wine with long legs of intensity on the palate, and incredible depth of color.

THE NOSE: Crushed blackberries, blueberries, ripe plum and black currants with a hint of sweet spice, earth and tobacco.

ON THE PALATE: Greeting the palate is a mouthful of deep fruit; ripe blackberry, black currant with a hint of licorice and spice. The texture is long and elegant.

VINOUS REVIEW BY ANTONIO GALLONI

The 2018 Cabernet Sauvignon Howell Mountain is the most elegant of the three vintages I tasted, if that word can be used for a brooding Howell Mountain Cabernet! The Saint Macaire is bumped up in the 2018, which seems to give the wine greater aromatic presence. Dried flowers, licorice, mint, incense and leather open with a bit of coaxing. The 2018 is painfully young, with little of the charm so many wines of the year have, but it opens nicely over time. I would not be in a rush here. **-93+ points**
