SERVING NOTES

Vinehouse will age for many years in the cellar, however, in its youth, stand the wine upright for a day in bottle, then decant carefully 5-8 hours prior to serving. To experience how this wine evolves, take a sip each hour.

TASTING NOTES:

Vinehouse is a blend, principally Cabernet Sauvignon with a bit of Saint Macaire (a lost Bordeaux varietal). Both are estate grown on Howell Mountain. The result of this marriage; a big luscious sexy wine with long legs of intensity on the palate, and incredible depth of color.

THE NOSE: Crushed blackberries, blueberries, ripe plum and black currants with a hint of sweet spice, earth and tobacco.

ON THE PALATE: Greeting the palate is a mouthful of deep fruit; ripe blackberry, black currant with a hint of licorice and spice. The texture is long and elegant,

VINOUS REVIEW BY ANTONIO GALLONI

The 2017 Cabernet Sauvignon Howell Mountain is powerful, but also compact. The mid-palate is especially shy. It will be interesting to see if more fruit emerges in time. Black cherry, licorice, lavender, spice, menthol and dried herbs all meld together. The 2017 is a wine of real intrigue, but it needs time. I like the energy and freshness here. **-93 points**
