

2021 Napa Valley Rosé of Charbono

“Funny how that worked out. 365 cases produced, 1 for each day of the year. Extremely concerned that we might run out for our own pleasure, skip this one please.”

Winemakers Meg & Peter Heitz

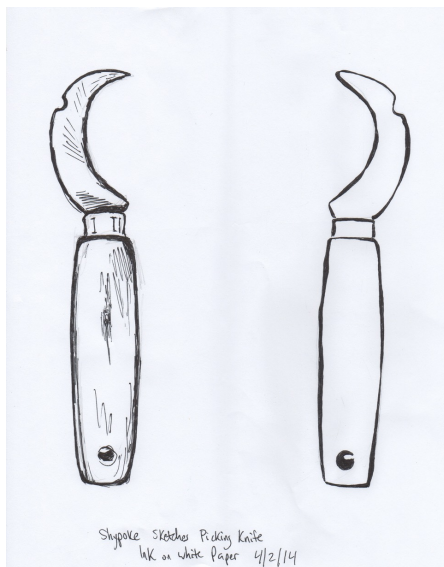

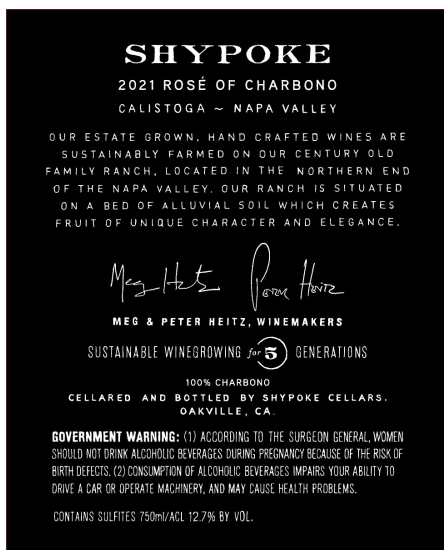

Shypoke calls the Calistoga, Napa Valley AVA home. Our Estate vineyard is sited in the North-Western corner of the world famous Napa Valley on a bed of alluvial soil. Our dirt to bottle history in California began in 1904 when Winemaker Peter Heitz’ Great Grandparents immigrated from Alsace, France and literally planted roots and built bonded winery #130 for the production of fine wines. Through nine generations of Alsatian and now five generations of California Vignerons, our family has built upon and honored the craft of tending unique soils and fusing the resulting fruit into uniquely elegant and honest wines of place and vintage.

Sourced from our heirloom estate Charbono vines in the Napa Valley. These old vines sometimes struggle with ripeness, so here we glean the less ripe clusters, picking those with green and pink berries in mid August. These clusters are then gently pressed and the resulting pale juice {with low natural sugar and high acidity} was racked to naturally ferment in a small stainless steel vessel at 55f. Racked clean to bottle in January 2022.

Alpine watermelon rind, muddled underripe strawberries and a clean light and easy finish make this wine hard to quit.

365 cases produced.

All hand crafted in ridiculously small quantities. Since 1904. Fifth Generation. Calistoga, Napa Valley.
