## THE 2021 VINTAGE

2021 was truly an incredible vintage. A combination of a beautiful growing season and the realization of our team's steadfast dedication to our farming principles led us to what is looking to be one of the greatest vintages we have produced since RAEN began, now almost ten years ago. During the 2021 growing season, our vineyards felt healthier and more alive than ever before. Through our holistic approach to farming, the meadows and forests don't end where the vineyard begins, but rather work together. We believe that supporting this biodiversity is both better for our planet's health, as well as essential to growing world-class wines. We are grateful that Mother Nature gave our coastal region a nearly perfect growing season, allowing us to capture the brilliance of the year in its entirety. Our 2021 wines present a beautiful concentration of flavors with incredible vibrancy, energy and verve. Elegant and expressive, these wines capture the voice of our grand cru sites along the coast.

Our 4.8 Sea Field Vineyard (monopole) produces our most elegant wines year in and year out. This unique bottling comes from an ancient Sea Field of diverse marine soils and fractured bedrock dating back between 66 and 200 million years. Soaring 1,000 feet above the Pacific Ocean and less than 3 miles from its waters, Sea Field is both our most coastal and highest elevation pinot noir site. The combination of these elements creates Sea Field.

Delicate, lifted aromas of rose petals, orange pith, crushed pomegranate and raspberries, with the essence of where-the-forest-meets-the-ocean fill the bowl. Wild strawberries, cool-coastal forest, wet rock, sea moss and blood orange linger. On the palate, wild strawberries, faint violet flowers and distant notes of white tea lead to a seemingly endless finish.
