

2019 Grenache Noir, Sonoma Valley – Mathis Vyd.

Concentrated presence of fresh strawberries and foraged wild berries, bing cherries, pomegranate, cinnamon, coriander, dried rose petal, exuberant yet disciplined, with a core of red currants, heady black cherry and minerality closing with piercing finesse. Sourced from the Peter Mathis's vineyard, high above the east side of the Sonoma Valley above the small town of Boyes Hot Springs. This is one of our favorite spots. Small berry clones plus very tight vine spacing gives this vineyard some of the best concentration of Grenache around. We are incredibly honored to receive fruit from this 7 acre gem and this wine won't disappoint.
