

THE OJAI VINEYARD

2022 ROSÉ

California

Our 2022 Rosé is another classic Ojai Vineyard rosé—pale, brisk, and bursting with fragrance. It's like there's half a flower shop in the glass, stacked with layers of tropical fruit, citrus, and minerals that make for a heady complexity. It's a perfect a la carte evening-starter, but it's super food friendly—great with tacos (especially al pastor), shellfish, or spicy noodle dishes.
